Letter from the President

By Carroll Simmons

Hello,

Unfortunately we had to cancel last month's meeting due to poor weather conditions. Has everyone had enough of this snow I know I have? One sign of spring coming is the annual CASHE golf tournament, flyers have been sent out and I look forward to a great event again this year. We are winding down the nomination process for the next board elections, all nominations are due in by the end of the March General meeting.

Please get those nomination ballots back to me as soon as possible so I can get the election ballots out by the end of March. I hope to see everyone at next month's general meeting at the Bowman on Harford Rd. in Carney.

It's time to nominate your Candidates:

The 2010-2012 CASHE Board of Directors and CASHE Associate Board candidate nomination forms are now available on the CASHE Website. Follow link below and search under **Items of Interest**. <http://cashe-md.org/index.php>

Education

March 16-18, 2010 Building Operating Management's NFMT conference & expo. NFMT 2010 is serious about helping you, the nation's facility professionals, cut costs.

From the conference sessions to the exhibit hall, NFMT offers guaranteed solutions to cut FM costs. It is the only facility show focused on **CRI**. Thousands of facility professionals are coming to Baltimore this spring to learn how to:

- *Cut costs
- *Re-engineer for better productivity
- *Invest in technology that makes a difference

A \$1,095 Value. Yours for free.

Be a part of this historic event. Don't miss this opportunity to boost your facility's efficiency and effectiveness, advance your career, and most importantly, save money. Click on following link for additional information. <http://www.nfmt.com/>

Employment Opportunities

Plant Operations Supervisor

Mercy Medical Center in downtown, Baltimore, Maryland, is seeking a *Plant Operations Supervisor* to supervise plant operations staff engaged in the operation, installation, maintenance and repair of all building wide systems throughout the medical center and various outreach clinics. Duties include: supervising staff engaged in the PM of equipment as per established PM schedule and accurately keeping records for regulatory agencies; conducting periodic inspections of completed work requests and PM to ensure quality of work; completing general maintenance work requests as needed; participating in development of departmental policies and procedures; overseeing orders of stock and/or parts to minimize downtimes; assuring tools, materials and equipment are returned to proper locations; and other duties as assigned.

EDUCATION/WORK EXPERIENCE: Must possess high school diploma or GED. Must possess 3-5 years of progressive responsible management experience. Must possess skills in advanced electrical, plumbing, and HVAC.

We offer an excellent compensation package. Please apply to www.mdmercy.com. EOE.

Director of Engineering & Maintenance

Dalton Boggs & Associates, an executive search firm that specializes in healthcare, has been retained by a large, not-for-profit hospital located in West Virginia to find a Director of Engineering & Maintenance. The facility is a regional referral center with over 320-beds (in all private rooms), serves as an academic medical center, and has a reputation in the region for excellence in quality of care, strong financial performance and progressive IT systems. The Director of Engineering & Maintenance is responsible for all day-to-day operations and strategic direction for the physical plant/engineering/maintenance activities, construction, biomedical engineering, and PBX/Communications. There is over 1 million square feet of space including the brand-new patient tower, and plans exist to renovate/construct a children's hospital within the main hospital campus.

This city and the surrounding metro area in the western tip of the state is nestled between the banks of the majestic Ohio River and the foothills of the Appalachian Mountains. The metro area population in is excess of 315,000 and offers a comfortable lifestyle, a low cost of living, modern educational facilities, unrivaled natural beauty and one of the lowest crime rates in America. From its scenic parks and playgrounds to numerous seasonal activities on the Ohio River, this region is a great place to enjoy the great outdoors. Additionally, nearby are numerous lakes, hiking and other mountain activities, snow skiing in the winter, in addition to numerous cultural and sporting activities.

All inquires will be held in the strictest of confidence. An extremely competitive compensation, benefits, and relocation package is available. If you know of anyone who may want to receive some additional information about this exciting opportunity and the community, please have them call, contact or submit a resume in confidence to:

Moves & Relocations

Pat Cornell has accepted a position with CB Flooring in Columbia, MD.
His new contact information is:

Pat Cornell	Phone: 410-381-5400 ext 139
CB Flooring, LLC.	Fax: 410-381-7687
Commercial Sales Associate	Email: patcornell@cbflooring.com
9515 Gerwig Lane, Suite 130	
Columbia, MD. 21046	

Membership Information

Visit the CASHE Website for all upcoming events and information.

Membership applications are available on our website at www.cashe-md.org

Please forward your application along with your application fee through your sponsor to any CASHE Board Member for approval at the next scheduled Board Meeting. Processing may take up to 45 days and you will receive a confirmation when you are approved.

Education Fund

The CASHE Board is pleased to announce that we have educational opportunities for our members and/or their staff. CASHE will be awarding up to 5 education scholarships valued up to \$1,000 each. Healthcare members interested in learning new "Trades" skills and/or members who have staff interested in learning new "Trades" skills are encouraged to submit an application to the CASHE Board of Directors for review and consideration. Education opportunities are available in the areas of Plant Operations, HVAC, Controls, & Electricity.

Application Criteria

Any member of CASHE can apply and/or nominate a current healthcare worker for the program; the nominee does not need to be a CASHE member. The criteria to be selected are as follows:

- A. Must be working in Healthcare.
- B. Must be a reliable hard working employee.
- C. Must be someone that shows motivation to improve their skills.
- D. Must be willing to complete the class with a passing grade.
- E. Any non-CASHE member who successfully completes the training will be eligible to join CASHE without paying the application fee.
