**Letter from the President,** by Charlie Fraim

Greetings,

I hope everyone has been enjoying his or her summer and much needed vacations. Joyce Malone and I attended the 48<sup>th</sup> ASHE conference this month in Seattle Washington and I must say the weather was much cooler there than what you all were experiencing here in Baltimore. As Facility Directors, this can be a tough time of year keeping our buildings cool when the temperature wants to stay in the upper nineties.

Well, the ASHE conference was great; they always have an excellent agenda full of information and vendors to help you with all your needs. This year Joyce and I were invited by ASHE to attend the Chapter Leadership Forum to talk about the “Affiliation Agreement” and what that means to the various chapters. Joyce and I will share everything about the agreement at the October general meeting so we can present to the membership and be able to field questions, I encourage a good turnout for this meeting because it all affects the chapters and its members.

**Crabs Anyone????** The crab feast is just a few weeks away and tickets are just about gone. I look forward to seeing all our members gathered around some good crabs and a cold beverage just enjoying themselves and relaxing. Oh, did I mention the CASHE annual seminar that has an all inclusive four-day seminar for only \$800.00 you will not find a deal like that anywhere else. So, now that most of you are in your new budget year let’s get those registration forms in for approval and sent to Jeff McBride. Enjoy the summer and be safe, look forward to meeting again in the fall.

“Until the foot of Broadway wears shoes”

## Educational Fund – Don't miss-out on free tuition reimbursement.

The CASHE Board is pleased to announce that we have educational opportunities for our members and/or their staff. Healthcare members interested in learning new "Trades" skills and/or members who have staff interested in learning new "Trades" skills are encouraged to submit an application to the CASHE Board of Directors for review and consideration. Education opportunities are available in the areas of Plant Operations, HVAC, Controls, & Electricity.

### Application Criteria

Any member of CASHE can apply and/or nominate a current healthcare worker for the program; the nominee does not need to be a CASHE member.

### The criteria to be selected are as follows:

- Must be working in Healthcare.
- Must be a reliable hard working employee.
- Must be someone that shows motivation to improve their skills.
- Must be willing to complete the class with a passing grade.

Any non-CASHE member who successfully completes the training will be eligible to join CASHE without paying the application fee.
